INDEPENDENT AUDITOR'S REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE BOARD OF DIRECTORS OF QATAR ISLAMIC BANK (Q.P.S.C.)

Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Qatar Islamic Bank (Q.P.S.C.) (the "Bank") and its subsidiaries (the "Group") as at 30 June 2024, comprising of the interim consolidated statement of financial position as at 30 June 2024, the interim consolidated statement of income, interim consolidated statement of comprehensive income, interim consolidated statement of income and attribution related to quasi-equity for the three month and six month periods then ended and the interim consolidated statement of changes in equity, interim condensed consolidated statement of cash flows and interim consolidated statement of changes in off-balance sheet assets under management for the six month period then ended, and the related explanatory notes.

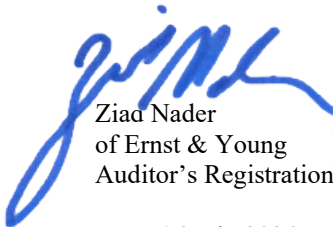

The Board of Directors is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with Financial Accounting Standards ("FAS") 41- Interim Financial Reporting issued by the Accounting and Auditing Organisation for Islamic Financial Institutions ("AAOIFI") as modified by Qatar Central Bank ("QCB"). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with FAS 41 issued by AAOIFI as modified by QCB.

Ziad Nader

1 REPORTING ENTITY

Qatar Islamic Bank Q.P.S.C. (“QIB” or the “Bank”) is an entity domiciled in the State of Qatar and was incorporated on 8 July 1982 as a Qatari Public Shareholding Company under Emiri Decree no. 45 of 1982. The commercial registration number of the Bank is 8338. The address of the Bank’s registered office is at P.O. Box 559, Doha, State of Qatar. The interim condensed consolidated financial statements of the Bank for the six-month period ended 30 June 2024 comprise the Bank and its subsidiaries (together referred to as the “Group”). The Group is primarily involved in corporate, retail and investment banking in accordance with Islamic shari’ah rules as determined by shari’ah supervisory board of the Bank and has 23 branches in Qatar and one branch in Sudan. The Parent Company of the Group is Qatar Islamic Bank (Q.P.S.C.). The Bank’s shares are listed for trading on the Qatar Exchange.

The interim condensed consolidated financial statements include the financial statements of the Bank and the following principal subsidiaries:

	Country of Incorporation	Principal Business Activity	Effective percentage of ownership	
			30 June 2024	31 December 2023
Arab Finance House	Lebanon	Banking	99.99%	99.99%
Aqar Real Estate Development and Investment Company W.L.L.(“Aqar”) (i)	Qatar	Investment in real estate	49%	49%
Durat Al Doha Real Estate Investment and Development W.L.L.	Qatar	Investment in real estate	82.61%	82.61%
QIB Sukuk Ltd (ii)	Cayman Island	Sukuk issuance	100%	100%
QIB (UK)	United Kingdom	Investment banking	99.71%	99.71%
QInvest LLC	Qatar	Investment banking	65.62%	65.62%
QIB Solutions LLC	Qatar	Management of IT services and operations	100%	100%

Notes:

- i) The Group has majority of the votes in the Board of Directors meetings of Aqar by virtue of representing the highest number of members in the Board. This gives the group the ability to direct the activities of Aqar.
- ii) QIB Sukuk Ltd was incorporated in the Cayman Islands as an exempted company with limited liability for the sole purpose of Sukuk issuance for the benefit of QIB.

1.1 Shari’ah governance framework

The Group follows Accounting and Auditing Organization for Islamic Financial Institutions (“AAOIFI”) Governance Standards (GSs) in their entirety along with the regulators’ requirements related to Shari’ah governance / Shari’ah governance framework. In line with the requirements of the same, the Group has a comprehensive governance mechanism comprising of Shari’ah supervisory board, Shari’ah compliance function, internal Shari’ah audit, external Shari’ah audit, etc. These functions perform their responsibilities in line with AAOIFI GSs as well as the regulators’ requirements related to Shari’ah governance.

The GSs also require the Board of Directors and those charged with governance to discharge their duties in line with Shari’ah governance and fiduciary responsibilities.

1.2 Shari’ah principles and rules

The Group follows the hierarchy of Shari’ah principles and rules as defined in paragraph 165 of FAS 1 “General Presentation and Disclosures in the Financial Statements”.

2 BASIS OF PREPARATION

(a) Statement of compliance

The interim condensed consolidated financial statements have been prepared in accordance with Financial Accounting Standards (“FAS 41 Interim Financial Reporting”) issued by the Accounting and Auditing Organisation for Islamic Financial Institutions (“AAOIFI”) as modified by the Qatar Central Bank (“QCB”).

In line with the requirements of AAOIFI, for matters that are not covered by FAS, the Group uses the guidance from the relevant International Financial Reporting Standards (“IFRSs”) as issued by the International Accounting Standards Board (“IASB”).

The interim condensed consolidated financial statements do not contain all information and disclosures required in the annual consolidated financial statements and should be read in conjunction with the Group's annual consolidated financial statements as at 31 December 2023. In addition, results for the six-month period ended 30 June 2024 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2024.

(b) Estimates and judgements

The preparation of the interim condensed consolidated financial statements in conformity with FAS issued by AAOIFI as modified by QCB, requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. In preparing the interim condensed consolidated financial information, significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that were applied to the consolidated financial statements as at and for the year ended 31 December 2023.

(c) Financial risk management

The Group's financial risk management objectives and policies are consistent with those disclosed in the consolidated financial statements for the year ended 31 December 2023.

(d) Material accounting policy information

The material accounting policies adopted in the preparation of the interim condensed consolidated financial statements are consistent with those followed in the preparation of the Group's annual consolidated financial statements for the year ended 31 December 2023:

During the period, the Group applied the following standards and amendments to standards in preparation of these interim condensed consolidated financial statements. The adoption of the below standards and amendments to standards did not result in changes to previously reported net profit or equity of the Group, however, may result in additional disclosures at year end.

- ***FAS 1 (Revised 2021) - General Presentation and Disclosures in the Financial Statements***

AAOIFI has issued revised FAS 1 in 2021. The revised FAS 1 supersedes the earlier FAS 1 General Presentation and Disclosures in the Financial Statements of Islamic Banks and Financial Institutions and introduces the concepts of quasi-equity, off-balance-sheet assets under management and other comprehensive income to enhance the information provided to the users of the financial statements.

The Group has adopted the standard and applied changes in certain presentation and disclosures in the interim consolidated financial statements for the period. The Group shall implement any subsequent guidelines or amendments to the standard that may be issued by the QCB. The adoption of this standard did not have any significant impact on recognition and measurement.

2 BASIS OF PREPARATION (CONTINUED)

(d) Material accounting policy information (continued)

- ***FAS 1 (Revised 2021) - General Presentation and Disclosures in the Financial Statements (continued)***

Some of the significant revisions to the standard are as follows:

- Revised conceptual framework is now an integral part of the AAOIFI FASs;
- Definition of quasi-equity is introduced as a broader concept that will include the “unrestricted investment accounts” and other transactions under similar structures. Similarly, the wider term of “off-balance sheet assets under management” is now being used instead of “restricted investment accounts”;
- Definitions have been modified and improved;
- Concept of comprehensive income has been introduced, with the option to prepare one statement that is a combination of statement of income and statement of other comprehensive income, or to prepare the two statements separately. The Group elected to prepare the two statements separately;
- Institutions other than Banking institutions are allowed to classify assets and liabilities as current and non-current;
- Disclosure of Zakah and Charity have been relocated to the notes to the financial statements;
- True and fair override has been introduced;
- Treatment for change in accounting policies, change in estimates and correction of errors has been introduced;
- Disclosures of related parties, subsequent events and going concern have been improved;
- Improvement in reporting for foreign currency and segment reporting; and
- Presentation and disclosure requirements have been divided into three parts. First part is applicable to all institutions, second part is applicable only to Islamic banks and similar IFIs and third part prescribes the authoritative status, effective date and amendments to other AAOIFI FASs.

- ***FAS 40 - Financial Reporting for Islamic Finance Windows***

AAOIFI has issued FAS 40 in 2021. The objective of this revised standard is to establish financial reporting requirements for Islamic finance windows and applicable to all conventional financial institutions providing Islamic financial services through an Islamic finance window. This standard improves upon and supersedes FAS 18 “Islamic Financial Services Offered by Conventional Financial Institutions”. The adoption of this standard did not have any significant impact on the Group’s interim condensed consolidated financial statements.

(e) New standards, amendments and interpretations issued but not yet effective

- ***FAS 45 – Quasi-Equity (Including Investment Accounts)***

AAOIFI has issued FAS 45 in 2023. This standard prescribes the principles of financial reporting related to the participatory investment instruments (including investment accounts) in which an Islamic financial institution controls the underlying assets (mostly, as a working partner), on behalf of the stakeholders other than the owners’ equity. Such instruments (including, in particular, the unrestricted investment accounts) normally qualify for on-balance-sheet accounting and are reported as quasi-equity. This standard also provides the overall criteria for on-balance-sheet accounting for participatory investment instruments and quasi-equity, as well as, pooling, recognition, derecognition, measurement, presentation and disclosure for quasi-equity. It further addresses financial reporting related to other quasi-equity instruments and certain specific issues. This standard shall be effective for the financial reporting periods beginning on or after 1 January 2026.

The concept of quasi-equity has been introduced in FAS 1 “General Presentation and Disclosures in the Financial Statements (Revised 2021)”. The Group shall address the requirements of FAS 45 “Quasi-Equity (Including Investment Accounts)” on the effective date of the standard.

2 BASIS OF PREPARATION (CONTINUED)
(e) New standards, amendments and interpretations issued but not yet effective (continued)

- ***FAS 46 – Off-Balance sheet Assets Under Management***

AAOIFI has issued FAS 46 in 2023. This standard prescribes the criteria for characterisation of off-balance sheet assets under management, and the related principles of financial reporting in line with the “AAOIFI Conceptual Framework for Financial Reporting”. The standard encompasses the aspects of recognition, derecognition, measurement, selection and adoption of accounting policies, related to off-balance-sheet assets under management, as well as certain specific aspects of financial reporting such as impairment and onerous commitments by the institution. The standard also includes the presentation and disclosure requirements particularly aligning the same with the requirements of the revised FAS 1 “General Presentation and Disclosures in the Financial Statements” in respect of the statement of changes in off-balance sheet assets under management. This standard, along with, FAS 45 “Quasi-Equity (Including Investment Accounts)”, supersedes the earlier FAS 27 “Investment Accounts”. This standard shall be effective for the financial periods beginning on or after 1 January 2026 and shall be adopted at the same time of adoption of FAS 45 – Quasi-Equity (Including Investment Accounts).

- ***FAS 47 – Transfer of Assets Between Investment Pools***

AAOIFI has issued FAS 47 in 2023. This standard prescribes the financial reporting principles and disclosure requirements applicable to all transfers between investment pools related to (and where material, between significant categories of) owners’ equity, quasi-equity and off-balance sheet assets under management of an institution. It requires adoption and consistent application of accounting policies for such transfers in line with Shari’ah principles and rules and describes general disclosure requirements in this respect. This standard shall be effective for the financial periods beginning or after 1 January 2026 and supersedes the earlier FAS 21 “Disclosure on Transfer of Assets”.

(f) Key changes to the significant estimates and judgements
Investment classification

Assessment of the business model within which the investments are managed, and assessment of whether the contractual terms of the investment represents either a debt-type instrument or other investment instrument having reasonably determinable effective yield.

(g) Adoption of QCB circular 12/2020
Measurement of equity-type instruments classified as fair value through other comprehensive income

The Group may elect to present in statement of changes in equity changes in the fair value of certain investments in equity-type instruments that are not held for trading. The election is made on an instrument-by-instrument basis on initial recognition and is irrevocable. Gains and losses on such equity-type instruments are never subsequently reclassified to consolidated statement of income, including on disposal. However, cumulative gains and losses recognised in fair value reserve are transferred to retained earnings on disposal of an investment. Impairment losses (and reversal of impairment losses) are not reported separately from other changes in fair value. Dividends, when representing a return on such investments, continue to be recognised in consolidated statement of income, unless they clearly represent a recovery of part of the cost of the investment, in which case they are recognised in consolidated statement of changes in equity.

3 OPERATING SEGMENTS

The Group has four reportable segments, as described below, which are the Group's strategic divisions. The strategic divisions offer different products and services and are managed separately based on the Group's management and internal reporting structure. For each of the strategic divisions, the Group Chief Executive Officer reviews internal management reports on a monthly basis. The following summary describes the operations in each of the Group's reportable segments:

Corporate banking – Corporate Banking includes services offered to institutional investors, corporate, other banks, and investment vehicles such as mutual funds or pensions.

Personal banking – Personal banking includes services that are offered to individual customers through local branches of the Bank which includes checking and savings accounts, credit cards, personal lines of credit, mortgages, and so forth.

Group function – treasury, investment, finance and other central functions.

Local & international subsidiaries – Local and international subsidiaries include the Groups local and international subsidiaries all of which are consolidated in the Group financial statements.

Performance is measured based on segment profit before tax, as included in the internal management reports that are reviewed by the Group Chief Executive Officer. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries.

Information regarding the results, assets and liabilities of each reportable segment is included below:

4 FAIR VALUE AND CLASSIFICATION OF FINANCIAL INSTRUMENTS (CONTINUED)

The fair value of financial assets and liabilities carried at amortised cost are equal to the carrying value except for investment securities carried at amortised cost with a carrying value of QAR 2,423 million (31 December 2023: QAR 1,574 million) for which the fair value amounts to QAR 2,357 million (31 December 2023: QAR 1,503 million), which is derived using Level 1 fair value hierarchy.

Fair value hierarchy

The Group uses the following hierarchy for determining and disclosing the fair value of financial investments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities;

Level 2: Valuation techniques based on observable inputs, either directly (i.e. as prices) or indirectly (i.e. derived from prices). This category includes instruments valued using: quoted market prices in active markets for similar instruments; quoted prices for identical or similar instruments in markets that are considered less than active, other valuation techniques where all significant inputs are directly or indirectly observable from market data.; and

Level 3: Valuation techniques using significant unobservable inputs. This category includes all instruments where the valuation technique includes inputs not based on observable data and the unobservable inputs have a significant effect on the instrument's valuation. This category includes instruments that are valued based on quoted prices for similar instruments where significant unobservable adjustments or assumptions are required to reflect differences between the instruments.

Fair values of financial assets and financial liabilities that are traded in active markets are based on quoted market prices or dealer price quotations. For all other financial instruments, the Group determines fair values using valuation techniques.

Valuation techniques include net present value and discounted cash flow models, comparison to similar instruments for which market observable prices exist and other valuation models. Assumptions and inputs used in valuation techniques include risk-free and benchmark profit rates, credit spreads and other premia used in estimating discount rates, sukuk and equity prices, foreign currency exchange rates, equity and equity index prices and expected price volatilities and correlations. The objective of valuation techniques is to arrive at a fair value determination that reflects the price of the financial instrument at the reporting date that would have been determined by market participants acting at arm's length.

For financial instruments that are recognised at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

As at 30 June 2024 and 31 December 2023, the Group held the following financial instruments measured at fair value:

FVTIS – Fair value through income statement

FVTOCI – Fair value through other comprehensive income

Transfers within the fair value hierarchy

During the period ended 30 June 2024 and year ended 31 December 2023, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfers into and out of Level 3 fair value measurements.

The valuation technique in measuring the fair value financial instruments categorized as Level 3 were in line with 31 December 2023.

The following table shows the reconciliation of the opening and closing amounts of Level 3 investments which are recorded at fair value:

	<i>At 1 January 2024</i>	<i>Total gain recorded in interim consolidated statement of income/ equity</i>	<i>Purchases</i>	<i>Sales/ transfers</i>	<i>At 30 June 2024 (Reviewed)</i>
	<i>QAR'000</i>

	<u>2,099,205</u>	<u>(15,969)</u>	<u>126,228</u>	<u>(76,211)</u>	<u>2,133,253</u>

5 IMPAIRMENT*Equity-type investments classified as fair value through other comprehensive income*

With effect from the issuance of QCB circular 12/2020, equity type instruments classified as fair value through other comprehensive income are not tested for impairment. However prior to that, equity-type investments classified as fair value through other comprehensive income and measured at fair value, a significant or prolonged decline in the fair value of an investment below its cost is considered in determining whether the investments are impaired. If any such evidence exists for equity-type investments classified as fair value through other comprehensive income, the cumulative loss previously recognised in the interim consolidated statement of comprehensive income is transferred to the interim consolidated statement of income. Impairment losses recognised in the interim consolidated statement of income on equity-type investments are subsequently reversed through equity.

Investment properties

Investment properties held for rental or capital appreciation is measured at fair value with the resulting unrealised gains being taken through other comprehensive income to fair value reserve. Any unrealized losses resulting from re-measurement at fair value is adjusted against the fair value reserve to the extent of available balance. In case such losses exceed the available balance, the unrealized loss is recognized in the interim consolidated statement of income. In case there are unrealized losses relating to investment properties that have been recognized in the interim consolidated statement of income in a previous financial period, the unrealized gains related to the current financial period is recognized to the extent of crediting back such previous losses in the interim consolidated statement of income. Any excess of such gains over such prior-year losses is added to the fair value reserve.

Financial assets carried at amortised cost (including investment in sukuk instruments classified as amortised cost)

For financial assets carried at amortised cost, impairment is recognised based on FAS 30 provided that such impairments are not less than QCB impairment requirements. Losses are recognised in interim consolidated statement of income and reflected in an allowance account. The Group has provided QAR 564.7 million (30 June 2023: QAR 599.5 million) as impairment on financing assets which was recognised under "Net impairment losses on financing assets" in the interim consolidated statement of income. Further, the Group has recognised impairment reversals of QAR 0.4 million (30 June 2023: QAR 1.1 million impairment charge) on investment securities which was recognised under "Net impairment reversals on investment securities" in the interim consolidated statement of income as disclosed in Note 20 to these interim condensed consolidated financial statements.

9 LEGAL RESERVE

In accordance with QCB Law No. 13 of 2012, 10% of net profit attributable to the owners of the Bank for the year is required to be transferred to the reserve until the legal reserve equals 100% of the paid up share capital at a minimum. This reserve is not available for distribution except in circumstances specified in Qatar Commercial Companies Law No. 11 of 2015 (as amended by Law No. 8 of 2021) and after QCB approval. No appropriation was made in the current period as the legal reserve exceeds 100% of the paid-up share capital.

10 RISK RESERVE

In accordance with QCB regulations, a risk reserve should be created to cover contingencies on both the public and private sector financing assets, with a minimum requirement of 2.5% of the total private sector exposure granted by the Group inside and outside Qatar after the exclusion of the specific provisions and profit in suspense. The finance provided to / or secured by the Ministry of Finance – Qatar or finance against cash guarantees is excluded from the gross direct finance. No transfer to risk reserve has been made during the period as the required amount will be transferred at year end (31 December 2023: QAR 310.9 million was transferred to risk reserve).

11 GENERAL RESERVE

In accordance with the Articles of Association of the Bank, the General Assembly may transfer a portion of the net profits to the general reserve which could be based on the General Assembly Resolution as per recommendation from Board of Directors and after the approval from Qatar Central Bank.

NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
 As at and for the period ended 30 June 2024

12 BASIC AND DILUTED EARNINGS PER SHARE

Basic and diluted earnings per share is calculated by dividing the net profit attributable to equity holders of the Bank for the period by the weighted average number of ordinary shares outstanding during the period.

	<i>For the three-month period ended 30 June</i>		<i>For the six-month period ended 30 June</i>	
	<i>2024 (Reviewed)</i>	<i>2023 (Reviewed)</i>	<i>2024 (Reviewed)</i>	<i>2023 (Reviewed)</i>
Profit for the period attributable to equity holders of the Bank (QAR'000)	<u>1,109,976</u>	<u>1,049,992</u>	<u>2,065,120</u>	<u>1,955,333</u>
Weighted average number of shares outstanding during the period ('000)	<u>2,362,932</u>	<u>2,362,932</u>	<u>2,362,932</u>	<u>2,362,932</u>
Basic and diluted earnings per share (QAR)	<u>0.47</u>	<u>0.44</u>	<u>0.87</u>	<u>0.83</u>

There were no potentially dilutive shares outstanding at any time during the period. Therefore, the diluted earnings per share are equal to the basic earnings per share.

13 FOREIGN CURRENCY TRANSLATION RESERVE

The foreign currency translation reserve comprises all foreign exchange differences arising from the translation of the financial statements of foreign operations as well as from the translation of liabilities and gains and losses on risk management instruments that hedge the Group's net investment in foreign operations and gains and losses on revaluation of foreign currency non-monetary assets carried at fair value for which gain or loss is recognized in foreign currency translation reserve in interim consolidated statement of changes in equity.

14 SUKUK ELIGIBLE AS ADDITIONAL CAPITAL

During 2015, the Group issued perpetual Sukuk eligible as additional tier 1 capital for an amount of QAR 2 billion. The Sukuk is unsecured and the profit distributions are discretionary, non-cumulative and payable annually at an agreed expected profit based on applicable relevant six year reset rate + margin to be reset every sixth year. During 2021 the first reset period lapsed and a new profit rate has been reset for the coming six years. The Group has the right not to pay profit and the Sukuk holders have no right to claim profit on the Sukuk. The Sukuk does not have a maturity date and have been classified as equity. During September 2016, the Group raised additional tier 1 capital by issuing a perpetual Sukuk for an amount of QR 2 billion at an agreed expected profit rate based on applicable relevant six year reset rate + margin to be reset every sixth year. By end of December 2022, the first reset period lapsed and a new profit rate has been reset with effect from 1st January 2023 for the coming six years.

15 DIVIDENDS

The Board of Directors have approved an interim cash dividend in respect of the six-month period ended 30 June 2024 of QAR 0.25 per share, amounting to a total of QR 590.7 million.

The equity holders of the Bank approved cash dividends of 72.5% of the paid-up share capital (QAR 0.725 per share) amounting to QAR 1,713.1 million for the year ended 31 December 2023 in the general assembly meeting held on 21 February 2024 (QAR 1,476.8 million for the year ended 31 December 2022).

19 CAPITAL ADEQUACY RATIO

As per Qatar Central Bank regulations, the Group has calculated the capital adequacy ratios in accordance with the new Basel III guidelines starting from the period ended 30 June 2024. The Group's minimum QCB regulatory limit, including the Capital Conservation Buffer, ICAAP pillar II capital charge and the applicable Domestically Systemically Important Bank ("DSIB") Buffer is 14.56%.

The table below summarises the composition of prevailing regulatory capital and the ratios of the Group. The Group complied with the externally imposed capital requirements to which they are subject to:

	30 June 2024	31 December 2023	30 June 2023
	QAR'000	QAR'000	QAR'000
	(Reviewed)	(Audited)	(Reviewed)
Common Equity Tier 1 (CET 1) Capital	25,176,934	23,717,506	21,819,964
Tier 1 capital	29,229,826	27,773,890	25,862,702
Tier 2 capital	1,708,630	1,698,496	1,677,355
Total regulatory capital	30,938,456	29,472,386	27,540,057
Risk weighted assets	149,167,864	144,462,694	143,041,858
Common equity tier 1 (CET 1) capital adequacy ratio	16.9%	16.4%	15.3%
QCB minimum	8.5%	8.5%	8.5%
Total capital adequacy ratio	20.7%	20.4%	19.3%
QCB minimum including conservation buffer, DSIB and ICAAP pillar II capital charge	14.56%	14.56%	14.63%

The above ratios are calculated based on Total Eligible Capital, net of proposed interim dividends.
