## INDEPENDENT AUDITORS' REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE BOARD OF DIRECTORS OF QATAR ISLAMIC BANK (Q.P.S.C.)

### Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Qatar Islamic Bank (Q.P.S.C.) (the "Bank") and its subsidiaries (the "Group") as at 30 September 2022, comprising of the interim consolidated statement of financial position as at 30 September 2022 and the interim consolidated statement of income for the three and nine month periods ended 30 September 2022, interim consolidated statement of changes in equity, interim condensed consolidated statement of cash flows and interim consolidated statement of changes in restricted investment accounts for the nine month period then ended, and the related explanatory notes.

The Board of Directors is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with Financial Accounting Standards issued by the Accounting and Auditing Organisation for Islamic Financial Institutions ("AAOIFI") as modified by Qatar Central Bank ("QCB"). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

### Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with Financial Accounting Standards issued by the Accounting and Auditing Organisation for Islamic Financial Institutions ("AAOIFI") as modified by Qatar Central Bank ("QCB").

**Notes:**

- i) The Group excises control over Aqar as it has the rights that give it the current ability to direct the relevant activities of Aqar. Furthermore, the Group has majority of the votes in the Board of Directors meetings of Aqar by virtue of representing the highest number of members in the Board.
- ii) QIB Sukuk Ltd was incorporated in the Cayman Islands as an exempted company with limited liability for the sole purpose of Sukuk issuance for the benefit of QIB.
- iii) QIB Solutions LLC was incorporated in the Qatar on 3rd October 2021 as a limited liability company regulated by Qatar Financial Centre Regulatory Authority (QFCRA) for the management of IT services and operations for and on behalf of the bank.

**2 BASIS OF PREPARATION**
**(a) Statement of compliance**

The interim condensed consolidated financial statements have been prepared in accordance with Financial Accounting Standards (“FAS”) issued by the Accounting and Auditing Organisation for Islamic Financial Institutions (“AAOIFI”) as modified by the Qatar Central Bank (“QCB”).

QCB Circular 13/2020 dated 29 April 2020 modifies the requirements of FAS 33 “Investments in Sukuk, shares and similar instruments” and FAS 30 “Impairment, credit losses and onerous commitments” and requires Islamic Banks to follow principles of IFRS 9 “Financial Instruments” in respect of equity-type investments carried at Fair Value Through Equity. The Bank has adopted the circular from the effective date and the changes to the accounting policies have been adopted prospectively by the Bank.

## NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

As at and for the period ended 30 September 2022

### 2 BASIS OF PREPARATION (CONTINUED)

#### (a) Statement of compliance (continued)

The interim condensed consolidated financial statements as of and for the nine months period ended 30 September 2022 were prepared in accordance with FAS issued by AAOIFI and the applicable provisions of the QCB regulations.

In line with the requirements of AAOIFI, for matters that are not covered by FAS, the Group uses the guidance from the relevant International Financial Reporting Standards (“IFRSs”) as issued by the International Accounting Standards Board (“IASB”). Accordingly, the interim condensed consolidated financial statements have been prepared in accordance with the guidance provided by International Accounting Standard 34 – ‘Interim Financial Reporting’.

The interim condensed consolidated financial statements do not contain all information and disclosures required in the annual consolidated financial statements and should be read in conjunction with the Group's annual consolidated financial statements as at 31 December 2021. In addition, results for the nine months periods ended 30 September 2022 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2022.

#### (b) Estimates and judgements

The preparation of the interim condensed consolidated financial statements in conformity with FAS issued by AAOIFI as modified by QCB, requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. In preparing the interim condensed consolidated financial information, significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that were applied to the consolidated financial statements as at and for the year ended 31 December 2021.

#### (c) Financial risk management

The Group's financial risk management objectives and policies are consistent with those disclosed in the consolidated financial statements for the year ended 31 December 2021.

#### (d) Significant accounting policies

The significant accounting policies adopted in the preparation of the interim condensed consolidated financial statements are consistent with those followed in the preparation of the Group's annual consolidated financial statements for the year ended 31 December 2021:

During the period, the Group applied the following standards and amendments to standards in preparation of these interim condensed consolidated financial statements. The adoption of the below standards and amendments to standards did not result in changes to previously reported net profit or equity of the Group, however, may result in additional disclosures at year end.

- **FAS 37 - Financial Reporting by Waqf Institutions**  
AAOIFI has issued FAS 38 in 2020. The objective of this standard is to establish principles of financial reporting by Waqf institutions, which are established and operated in line with Shari'ah principles and rules. The implementation of this comprehensive standard is expected, in turn, to contribute towards improving effectiveness and efficiency of operations of Waqfs, maximizing benefits to the beneficiaries and encouraging proper accountability and management.
- **FAS 38 - Wa'ad, Khiyar and Tahawwut**  
AAOIFI has issued FAS 38 in 2020. The objective of this standard is to prescribe the accounting and reporting principles for recognition, measurement and disclosure in relation to Shari'ah compliant Wa'ad (promise), Khiyar (option) and Tahawwut (hedging) arrangements for Islamic financial institutions.

**2 BASIS OF PREPARATION (CONTINUED)**

**(e) New standards, amendments and interpretations issued but not yet effective**

• ***FAS 1 (Revised 2021) - General Presentation and Disclosures in the Financial Statements***

AAOIFI has issued revised FAS 1 in 2021. The revised FAS 1 supersedes the earlier FAS 1 General Presentation and Disclosures in the Financial Statements of Islamic Banks and Financial Institutions and introduces the concepts of quasi-equity, off-balance-sheet assets under management and other comprehensive income to enhance the information provided to the users of the financial statements. This standard shall be effective for the financial periods beginning on or after 1 January 2023 with early adoption permitted. The Group is currently evaluating the impact of the above standards.

• ***FAS 39 - Financial Reporting for Zakah***

AAOIFI has issued FAS 39 in 2021. This standard improves upon and supersedes FAS 9 on “Zakah” and aims at setting out the accounting treatment of Zakah in the books of the institutions, including the presentation and disclosure by an Islamic financial institution. The accounting and financial reporting requirements such as recognition, presentation and disclosure requirements of this standard shall apply to institutions that are obliged to pay Zakah on behalf of certain or all stakeholders. Institutions that are not obliged to pay Zakah shall apply the disclosure requirements of this standard for certain or all stakeholders, as relevant. This standard shall be effective for the financial periods beginning on or after 1 January 2023 with early adoption permitted. The Group is currently evaluating the impact of the above standards.

• ***FAS 40 - Financial Reporting for Islamic Finance Windows***

AAOIFI has issued FAS 40 in 2021. The objective of this revised standard is to establish financial reporting requirements for Islamic finance windows and applicable to all conventional financial institutions providing Islamic financial services through an Islamic finance window. This standard improves upon and supersedes FAS 18 “Islamic Financial Services Offered by Conventional Financial Institutions”. This standard shall be effective for the financial periods beginning on or after 1 January 2024 with early adoption permitted. The Group is currently evaluating the impact of the above standards.

**(f) Key changes to the significant estimates and judgements**

***Investment classification***

Assessment of the business model within which the investments are managed, and assessment of whether the contractual terms of the investment represents either a debt-type instrument or other investment instrument having reasonably determinable effective yield.

**(g) Adoption of QCB circular 13/2020**

**Measurement of equity-type instruments classified as fair value through equity**

The Group may elect to present in statement of changes in equity changes in the fair value of certain investments in equity-type instruments that are not held for trading. The election is made on an instrument by instrument basis on initial recognition and is irrevocable. Gains and losses on such equity-type instruments are never subsequently reclassified to consolidated income statement, including on disposal. However, cumulative gains and losses recognised in fair value reserve are transferred to retained earnings on disposal of an investment. Impairment losses (and reversal of impairment losses) are not reported separately from other changes in fair value. Dividends, when representing a return on such investments, continue to be recognised in consolidated income statement, unless they clearly represent a recovery of part of the cost of the investment, in which case they are recognised in statement of changes in equity.

**NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**  
As at and for the period ended 30 September 2022**3 OPERATING SEGMENTS**

The Group has four reportable segments, as described below, which are the Group's strategic divisions. The strategic divisions offer different products and services and are managed separately based on the Group's management and internal reporting structure. For each of the strategic divisions, the Chief Executive Officer reviews internal management reports on a monthly basis. The following summary describes the operations in each of the Group's reportable segments:

**Corporate banking** – Corporate Banking includes services offered to institutional investors, corporate, other banks, and investment vehicles such as mutual funds or pensions.

**Personal banking** – Personal banking includes services that are offered to individual customers through local branches of the Bank which includes checking and savings accounts, credit cards, personal lines of credit, mortgages, and so forth.

**Group function** – treasury, investment, finance and other central functions.

**Local & international subsidiaries** – Local and international subsidiaries include the Groups local and international subsidiaries all of which are consolidated in the Group financial statements.

Performance is measured based on segment profit before tax, as included in the internal management reports that are reviewed by the Chief Executive Officer. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries.

Information regarding the results, assets and liabilities of each reportable segment is included below:

**4 FAIR VALUE AND CLASSIFICATION OF FINANCIAL INSTRUMENTS (CONTINUED)**

The fair value of financial assets and liabilities carried at amortised cost are equal to the carrying value except for investment securities carried at amortised cost with a carrying value of QAR 2,984 million (31 December 2021: QAR 2,737 million) for which the fair value amounts to QAR 2,925 million (31 December 2021: QAR 2,757 million), which is derived using Level 1 fair value hierarchy.

**Fair value hierarchy**

The Group uses the following hierarchy for determining and disclosing the fair value of financial investments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities;

Level 2: Valuation techniques based on observable inputs, either directly (i.e. as prices) or indirectly (i.e. derived from prices). This category includes instruments valued using: quoted market prices in active markets for similar instruments; quoted prices for identical or similar instruments in markets that are considered less than active, other valuation techniques where all significant inputs are directly or indirectly observable from market data.; and

Level 3: Valuation techniques using significant unobservable inputs. This category includes all instruments where the valuation technique includes inputs not based on observable data and the unobservable inputs have a significant effect on the instrument's valuation. This category includes instruments that are valued based on quoted prices for similar instruments where significant unobservable adjustments or assumptions are required to reflect differences between the instruments.

Fair values of financial assets and financial liabilities that are traded in active markets are based on quoted market prices or dealer price quotations. For all other financial instruments, the Group determines fair values using valuation techniques.

Valuation techniques include net present value and discounted cash flow models, comparison to similar instruments for which market observable prices exist and other valuation models. Assumptions and inputs used in valuation techniques include risk-free and benchmark profit rates, credit spreads and other premia used in estimating discount rates, sukuk and equity prices, foreign currency exchange rates, equity and equity index prices and expected price volatilities and correlations. The objective of valuation techniques is to arrive at a fair value determination that reflects the price of the financial instrument at the reporting date that would have been determined by market participants acting at arm's length.

For financial instruments that are recognised at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

As at 30 September 2022 and 31 December 2021, the Group held the following financial instruments measured at fair value:

**5 IMPAIRMENT**
*Equity-type investments classified as fair value through equity*

With effect from the issuance of QCB circular 13/2020, equity type instruments classified as fair value through equity are not tested for impairment. However prior to that, equity-type investments classified as fair value through equity and measured at fair value, a significant or prolonged decline in the fair value of an investment below its cost is considered in determining whether the investments are impaired. If any such evidence exists for equity-type investments classified as fair value through equity, the cumulative loss previously recognised in the interim consolidated statement of changes in equity is removed from equity and recognised in the interim consolidated income statement. Impairment losses recognised in the interim consolidated income statement on equity-type investments are subsequently reversed through equity.

*Investment properties*

Investment properties held for rental or capital appreciation is measured at fair value with the resulting unrealised gains being recognised in the interim consolidated statement of changes in equity under fair value reserve. Any unrealized losses resulting from re-measurement at fair value is recognized in the interim consolidated statement of financial position under fair value reserve to the extent of available balance. In case such losses exceed the available balance, the unrealized loss is recognized in the interim consolidated income statement. In case there are unrealized losses that have been recognized in the interim consolidated income statement in a previous financial year/period, the unrealized gains related to the current financial period is recognized to the extent of crediting back such previous losses in the interim consolidated income statement. Any excess of such gains over such prior-year losses is added to the fair value reserve.

*Financial assets carried at amortised cost (including investment in sukuk instruments classified as amortised cost)*

For financial assets carried at amortised cost, impairment is recognised based on FAS 30 provided that such impairments are not less than QCB impairment requirements. Losses are recognised in interim consolidated income statement and reflected in an allowance account. The Group has provided QAR 1,114.3 million (30 September 2021: QAR 1,194.4 million) as impairment on financing assets which was recognised under "Net impairment losses on financing assets" in the interim consolidated income statement. Further, the Group has recognised impairment reversals of QAR 0.1 million (30 September 2021: QAR 5.9 million impairment charge) on investment securities which was recognised under "Net impairment (losses) reversals on investment securities" in the interim consolidated income statement as disclosed in Note 20 to these interim condensed consolidated financial statements.

## 9 LEGAL RESERVE

In accordance with QCB Law No. 13 of 2012, 10% of net profit attributable to the owners of the Bank for the year is required to be transferred to the reserve until the legal reserve equals 100% of the paid up share capital at a minimum. This reserve is not available for distribution except in circumstances specified in Qatar Commercial Companies Law No. 11 of 2015 and after QCB approval. No appropriation was made in the current period as the legal reserve exceeds 100% of the paid-up share capital.

## 10 RISK RESERVE

In accordance with QCB regulations, a risk reserve should be created to cover contingencies on both the public and private sector financing assets, with a minimum requirement of 2.5% of the total private sector exposure granted by the Group inside and outside Qatar after the exclusion of the specific provisions and profit in suspense. The finance provided to / or secured by the Ministry of Finance – Qatar or finance against cash guarantees is excluded from the gross direct finance. No transfer to risk reserve has been made during the period as the required amount will be transferred at year end (31 December 2021: QAR 8.4 million was transferred to risk reserve).

## 11 GENERAL RESERVE

In accordance with the Articles of Association of the Bank, the General Assembly may transfer a portion of the net profits to the general reserve which could be based on the General Assembly Resolution as per recommendation from Board of Directors and after the approval from Qatar Central Bank.

## 12 BASIC AND DILUTED EARNINGS PER SHARE

Basic and diluted earnings per share is calculated by dividing the net profit attributable to equity holders of the Bank for the period by the weighted average number of ordinary shares as outstanding during the period.

**13 FOREIGN CURRENCY TRANSLATION RESERVE**

The foreign currency translation reserve comprises all foreign exchange differences arising from the translation of the financial statements of foreign operations as well as from the translation of liabilities and gains and losses on risk management instruments that hedge the Group's net investment in foreign operations and gains and losses on revaluation of foreign currency non-monetary assets carried at fair value for which gain or loss is recognized in foreign currency translation reserve in interim consolidated statement of changes in equity.

**14 SUKUK ELIGIBLE AS ADDITIONAL CAPITAL**

During 2015, the Group issued perpetual sukuk eligible as additional tier 1 capital for an amount of QAR 2 billion. The sukuk is unsecured and the profit distributions are discretionary, non-cumulative and payable annually at an agreed expected profit rate of 5% to be reset every ninth year. During 2021 the first reset period lapsed and a new profit rate of 4.13365% has been reset for the coming nine years. The Group has the right not to pay profit and the sukuk holders have no right to claim profit on the sukuk. The sukuk does not have a maturity date and have been classified as equity. During September 2016, the Group raised additional tier 1 capital by issuing a perpetual sukuk for an amount of QR 2 billion at an agreed expected profit rate of 5.25% to be reset every sixth year.

**15 DIVIDENDS**

The equity holders of the Bank approved 57.5% cash dividends of (QAR 0.575 per share) amounting to QAR 1,358.7 million for the year ended 31 December 2021 in the general assembly meeting held on 22 February 2022 (QAR 945.2 million for the year ended 31 December 2020).
